- Always put baby on its back to sleep; every nap & at night
- Use firm sleep mattress with fitted sheet
- Baby should sleep alone
- Remove all objects from crib (blankets, pillows, toys, etc.)
- Baby should wear a onesie for warmth rather than being wrapped or covered with a blanket

- Check on your baby frequently

Positive Thinking Day

THURSDAY, SEPTEMBER 13TH

Today is all about attitude.....a positive attitude. It's a lot like the ant, when faced with moving a rubber tree plant thought "I think I can". With that in mind, I just know that everything will go fine from this day forward.

The power of positive thinking is absolutely astounding. Medical research confirms that a positive attitude works wonders at fighting disease & ailments, from common colds to cancer. People with an "I think I can" attitude, are far more likely to succeed at work, and in accomplishing every goal they set in life.

THURSDAY, SEPTEMBER 6TH

To many people, procrastination is a way of life. The more difficult the action or decision, the easier it is to join the league of procrastinators. Today is a day to fight procrastination. Make a decision. Take action. Do it now. Do it today. It may be hard to do, but you will be glad you did.
