#### ATTENTION RESIDENTS WITH CENTRAL A/C:

There has been some confusion on whether or not maintenance will enter your unit to change A/C filters. Yes, if you are not home, maintenance will go in to change your filter. They will leave you a door tag letting you know they came in. If you have a problem with them coming in, you need to make arrangements with the office.

With the weather getting cooler, we want to remind all residents that fire pits, bonfires or fires of any kind are not allowed on Berwick Housing Authority property.
