If you have registered for your tenant portal and are paying rent online, you must pay by the 16th of the month. On the 16th we turn off the online payment option in order to have enough time for all payments to clear the bank before closing out the month.

Also, if you pay online and your payment fails or does not go through, you will no longer have the option to pay online. You will also be charged \$16.50 for the failed payment.

American Heart Month is a time to raise awareness about heart disease, the leading cause of death in the United States. Small heart-healthy actions like adding more movement to our day or choosing healthy foods can have a big impact on protecting our hearts.

Rent is due **February 12th** which is the eighth working day of the month. If you do not pay by **February 12th**, a \$10 late fee will be applied. If you signed a contract, your rent is due **February 15th**, but a late fee is still applied after the 12th. The absolute last day to pay the rent is **February 20th**.
