Berwick Police Department

As the summer approaches and foot traffic increases throughout our community, Chief David Leonard Sr. & the men and women of the BPD would like to remind all residents to take simple precautions to help keep our neighborhoods safe. **Please remember to lock your car doors and secure any valuables.**

These small actions can go a long way in preventing theft and property crimes. They also ask parents and guardians to be vigilant about their children's whereabouts. As school is out for the summer, we typically see an increase in unsupervised juveniles roaming the streets. Let's work together to keep our community safe.
