Rent is due **JUNE 10th** which is the eighth working day of the month. If you do not pay by **JUNE 10th**, a \$10 late fee will be applied. If you signed a contract, your rent is due **JUNE 15th**, but a late fee is still applied after the **10th**. The absolute last day to pay the rent is **JUNE 20th**.

The monthly spraying for **JUNE** will be done on **THURSDAY, JUNE 18th**. You do not have to be home, but if you are home and refuse to allow them inside or your screen door is locked, you will be charged for the spraying. If you have a pet, please kennel it. Also, remember that 3 housekeeping notices from pest control results in automatic eviction. **AN IMPORTANT PART OF ELIMINATING ROACHES IS TO SWEEP UP OR VACUUM ANY DEAD ROACHES IMMEDIATELY.**

WE WILL BE CLOSED
ON 19TH JUNE FOR
JUNETEENTH
 FREEDOM DAY

If you have a maintenance emergency, please call the office and press option 4 for maintenance. We consider emergencies gas, water and electricity.

SUNDAY, JUNE 21ST

Children are out of school, therefore, they will be playing outside. Please help us keep the development clean by teaching them to throw their trash in a garbage can. Now that we have cameras throughout the development we will be able to spot who is littering and the parents will be charged.

It's getting hot which means the grass is growing! The housing authority provides grass cutting for our residents. Please consider being grateful for this service that is provided rather than complaining about getting grass on your porch or not cutting it the way you like it. It would only take a few minutes to go outside and sweep off your porch. Cutting the grass for the entire development is not easy, especially in the heat! You can always buy a mower and cut your own if you like.

Due to liability reasons, insurance purposes and cost of water, families at the Berwick Housing Authority are **NOT** allowed to have plastic or inflatable swimming pools, play in the hose pipe/sprinkler, slip and slides or fun jumps (**with or without water**). If a pool is found at your unit, it will be picked up and thrown away. If you are caught or seen using the water hose for any of these activities you will be charged a water charge. If you see a neighbor participating in any of these activities, please report it to the housing authority immediately. These rules are in place to keep everyone safe!
